

An adventurous trip to Neen Koti (Shimla)

A Travelogue

12 May to 17 May 26.

शिमला की वादियों ने जब बाहें फैलाकर हमें अपनाया,
तब लगा जैसे प्रकृति ने स्वयं हमें मुस्कुराना सिखाया।
कोटी की ठंडी हवाओं में कुछ अलग ही बात थी,
हर सुबह में सुकून और हर शाम में यादों की सौगात थी।

Through Neen Koti's valleys high,
We learned to dream beneath the sky.
The mountains taught us to stand strong,
And cherish memories all life long.

Insights from Teachers

The five-day educational trip organized by the school concluded in Neen Koti village located in Himachal. It was my first educational tour with the students which became memorable. The environment here was pure, calm and full of oxygen. The natural beauty all around, the tall green mountains and tall cedar trees captivated my mind. Before sunrise, I charged myself by doing pranayam. Talking about food, the food at Snow Trail Resort where we were staying was amazing, delicious, they served us with great service, thanked the chef and his group for their good services.

My experience of this trip was very good...I spent quality time with students and teachers, which makes my bond with them stronger. I experienced nature, Mountains, villages, and villagers' lives...They were so close to nature i.e. they are completely free from stress, depression, pollution. Nature is pure healing. And students and teachers both experienced this...I enjoyed this trip very much...and thanks to MPS Kr for this opportunity..
