Holiday Homework

Greetings, Parents!

As the summer holidays begin, we invite our young learners to embark on a fun and educational adventure. The Summer Holiday Homework is crafted to spark curiosity and reinforce key concepts through engaging activities and exercises, ensuring their minds stay sharp during the break. While this is a break from the regular school routine, the activities are designed to build on what your child has learned, setting the stage for success in future lessons. Your involvement in these activities will greatly enhance their learning experience, fostering a love for exploration and real-world connections. Wishing you a joyful, safe, and enriching summer! Best regards, Happy Holidays! Please note: Some of the work is assigned section wise, so that the children get various displays during the class wise.
