Message From the Principal's Desk

Dear Students

As we step into a new academic session, I extend a heartfelt welcome to each one of you — to a journey brimming with possibilities, where new milestones await and histories are waiting to be carved. Each academic year is not merely a continuation of the past, but an opportunity to set fresh benchmarks, open doors to unexplored realms and leave behind footprints that inspire others.

The 21st century calls for more than knowledge; it demands creativity, resilience, and the harmony of head and heart. True success is created when intellect is guided by compassion, and ambition is tempered with empathy. This balance will empower you not only to shape your own destiny but also to contribute meaningfully to the world around you.

In today's fast-paced and often distracted world, mindfulness becomes your greatest strength. It allows you to pause, reflect, and act with clarity and purpose. Mindfulness equips you to face challenges with courage, celebrate victories with humility, and live each moment fully aware.

Dear students, education is not confined to classrooms or examinations. It is the art of shaping lives, nurturing dreams and carving a future that reflects both excellence and humanity. Step into this academic year with courage in your mind, warmth in your heart, and mindfulness in your spirit.

Dr. Sunita Vashistha
Principal

“The whole purpose of education
is to turn mirrors into window.
-Sydney J. Harris”

The Image of A True MPSITE

An ideal student is one step above others. An ideal student is the wealth and future of his/her nation, hope of his/her family and pride and glory of his/her school or college. He/She endears himself/herself to all by his/her temperament, qualities of head and heart and knowledge. He/She respects his/her teachers and is helpful and friendly to his/her class-fellows. Such good and bright students are the gems of an institution. They are the pillars of a nation. Such students become ideal citizens, politicians, statesmen and leaders. Traits of an MPSITE are -

- M - modest, mindful, marvelous
- P - patient, passionate, polite
- S - sensible, skilled, scintillating
- I - ingenious, imaginative, idealistic, immaculate
- T - talented, trustworthy, tactful
- E - empathetic, exuberant, eager, effective

Everyone aspires to be an ideal student, but only some are able to become one. It takes a good amount of effort to achieve that kind of excellence. However, once you achieve it, you are unstoppable. Being good at everything then becomes a habit and you do not want to settle for anything less.

“Discipline shapes the true MPsite : Punctual in conduct, sincere in effort and steadfast in values.”
